

Assoc. Professor
Angus Cameron

Associate Professor Angus Cameron

BDS(Hons) MDS Sc FDSRCS(Eng) MRACDS(Paed) FRACDS FICD FADI a specialist in paediatric dentistry.

The first to graduate in NSW as a specialist, he worked at Westmead Hospital for over 30 years. He has extensive experience in both public and private sectors and was head of the Department of Paediatric Dentistry and Orthodontics at Westmead for over 18 years.

Angus has been visiting the Central Coast for over 10 years, teaching and running a specialist clinic at the University of Newcastle. He is currently a Clinical Associate Professor at the University of Sydney and holds academic appointments at Newcastle, Charles Sturt and Leeds universities. He is a visiting consultant with Northern Territory Oral Health and has a great passion for remote and rural oral health, working with indigenous children.

Angus is well-known for the world-wide leading textbook: Handbook of Pediatric Dentistry of which he is co-editor, soon to be released in its 5th edition and translated into 8 languages. He lectures widely throughout Australia and internationally.

Now in full-time private practice, his main interests are in the management of children with special needs, dental anomalies, paediatric oral medicine, and the management of young children with decay. He has a particular interest in newborns with feeding difficulties and also runs a clinic specialising in infant feeding and tongue-ties.
